Do you provide food?	Unfortunately not. We are not a food venue or a sit down to eat party. You may however bring a small tray of finger food to go on our snack table to compliment snacks already provided - however this will need to be picked at throughout / in-between treatments. We are a NUT FREE venue. Snacks / sweets provided are standard and mainly vegetarian. We can't unfortunately change for specific dietary needs and would ask that a parent of a child with any dietary requirements send their child with a snack or 2 they are happy for them to eat. (If you are providing a tray of finger food, it's your responsibility to discuss with a parent of a child with specific dietary requirements) CAKE - You are of course welcome to bring a cake, to sing happy birthday towards the end of the party. We will gladly cut and wrap for guests to take home - please remember napkins and candles. We don't allow cake to be eaten on the premises, and kindly ask that no chewing gum, cotton candy, or lollies are brought in to eat.
Is there a deposit?	We charge a £40 non refundable booking fee to secure your date and time Balance is due 7 days prior to party date.

Additional Guests	We are a compact venue with a small waiting area, therefore all our party's are drop off and collect, permitting birthday child's parent(s) to stay for the duration. A maximum of 2 adults. Unfortunately children not participating are unable to attend, and no child under the age of 4 is permitted at any time due to specialist children's insurance within a pamper party salon.
Can I have more or less children attend?	The package is priced for a 2.5 hour duration for a maximum group size of 6 which will be structured to provide an enjoyable experience for all within the booked time. You can of course have less attend, however this will not affect the 2hr package price and the full amount will be payable.
Additional Information	We ask that the birthday parent arrives 10 minutes early (no earlier) to greet guests on arrival and for us to set up your cake / finger food tray We ask that all guests arrive on time so that the party can start promptly We ask that everyone leaves promptly at the party finish time as we have very limited time to clean and re set up in between party's. If you do provide finger food, any leftovers must be taken to be disposed of by yourself. We do not have a food waste bin. A consent form is required to be submitted in by a parent / guardian of each child attending, including birthday child. Details of which will be supplied on booking. We have 2 parking bays for use directly outside our door. One to the left, and one to the right which are sign posted. As the booker, it is your responsibility to ensure our venue, belongings and furnishings are respected during your time here. We are not a play centre of any sort, and do not allow running, jumping on furniture or pulling on furnishings at any time. This is most definitely a more "grown up" type of party in a salon environment for the younger generation. If you are looking for somewhere to let kids run off steam, sadly we are not the venue for you. If this party IS what you're looking for, then please use the enquiry from and we will aim to be in touch within 48hrs.
